Dear Sir/Madam

#### Request for Trading Halt: Amaero International Limited (ASX:3DA)

In accordance with the requirements of Listing Rule 17.1, Amaero International Limited (the "Company") hereby requests an immediate trading halt of the Company's securities.

The trading halt is requested pending an announcement by the Company in relation to an equity capital raising.

The Company requests that the trading halt remain in place until the Company provides an announcement to the market or the commencement of trading on Tuesday, 11 February 2025, whichever is earlier.

The Company is not aware of any reason why the Trading Halt should not be granted.

| Yours faithfully,                   |  |

#### **About Amaero**

Amaero International Limited (ASX:3DA) is an ASX-listed company with manufacturing and corporate headquarters located in Tennessee, U.S. Amaero is a leading U.S. domestic producer of high-value C103, refractory alloy, and titanium powders for additive and advanced manufacturing of components utilised by the defense, space, and aviation industries. The technical and manufacturing team brings decades of experience and know-how with pioneering work in gas atomization of refractory and titanium alloys. The Company has commissioned advanced gas atomization technology with an industry leading yield of AM powder. The Company is also a leader in PM-HIP (Powder Metallurgy Hot Isostatic Pressing) manufacturing of large, near-net-shape powder metallurgy parts with forged-equivalent material properties and microstructure for a variety of alloys. PM-HIP manufacturing is helping alleviate the strained domestic supply chain for large scale castings and forgings.
