## Directors' report

For the half year ended 31 December 2024

The Directors of Charter Hall Limited and the Directors of Charter Hall Funds Management Limited, the Responsible Entity (RE) of Charter Hall Property Trust, present their report together with the consolidated interim financial report of the Charter Hall Group (Group or CHC) and the consolidated interim financial report of the Charter Hall Property Trust Group (CHPT Group) for the half year ended 31 December 2024, and the independent auditor's report thereon. The interim financial report of the Group comprises Charter Hall Limited (Company or CHL) and its controlled entities, which include Charter Hall Funds Management Limited as the RE of Charter Hall Property Trust (CHPT or Trust) and CHPT and its controlled entities. The interim financial report of the Charter Hall Property Trust Group comprises the Trust and its controlled entities.

Charter Hall Limited and Charter Hall Funds Management Limited have identical Boards of Directors. The term Board hereafter should be read as a reference to both these Boards.

The units in the Trust are 'stapled' to the shares in the Company. A stapled security comprises one Company share and one Trust unit. The stapled securities cannot be traded or dealt with separately.

## Notes to the consolidated financial statements

For the half year ended 31 December 2024

The interim financial report does not include all notes normally included in an annual financial report. Accordingly, this report should be read in conjunction with the annual report for the year ended 30 June 2024 and any public announcements made by the Charter Hall Group during the half year ended 31 December 2024, in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies adopted in the preparation of the interim financial report are consistent with those of the previous financial year unless stated otherwise.

The notes to these interim financial statements include additional information to assist the reader in understanding the operations, performance and financial position of the Charter Hall Group and the Charter Hall Property Trust Group.

### Critical accounting estimates and judgements

The preparation of the interim financial statements in conformity with applicable Australian Accounting Standards requires the use of certain critical accounting estimates and judgements in the process of applying accounting policies.

Estimates and judgements are continually evaluated and are based on experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances. The critical judgements that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities are described in their respective notes:

- Note 2 Investments in associates
- Note 3 Investments in joint ventures
- Note 4 Revenue
- Note 9 Intangible assets
- Note 12 Valuation techniques used to derive Level 3 fair values

## 1 Segment information

### (a) Description of segments

#### Charter Hall Group

The operating segments disclosed are based on the reports reviewed by the Group CEO to make strategic decisions, assess performance, and allocate resources. EBITDA is used by the Group CEO to make strategic decisions and as a guide to assessing an appropriate distribution to declare.

The Group's operating segments comprise:

#### *Property investments*

This segment comprises investments in property funds.

#### *Development investments*

This segment comprises investments in developments.

#### *Funds management*

This segment comprises investment management services and property services.

Geographical segments are immaterial as the vast majority of the Group's income is from Australian sources. Assets and liabilities have not been reported on a segmented basis as the Group CEO is focused on the consolidated balance sheet.

#### Charter Hall Property Trust Group

The Group CEO allocates resources and assesses the performance of operating segments for the entire Charter Hall Group. Results are not separately identified and reported according to the legal structure of the Charter Hall Group and therefore segment information for CHPT is not prepared or provided to the Group CEO.

#### (b) Critical judgements

Investments in associates are accounted for at either fair value through profit or loss or by using the equity method. The Group designates investments in associates as fair value through profit or loss or equity accounted on a case by case basis taking the investment strategy into consideration. In instances where the Group owns less than 20% of the ownership interest in an investment, management will assess the Group influence within the investment and its ability to participate in the financial and operational decisions.

Management regularly reviews equity accounted investments for impairment and remeasures investments carried at fair value through profit or loss by reference to changes in circumstances or contractual arrangements, external independent property valuations and market conditions, using generally accepted market practices. When a recoverable amount is estimated through a value in use calculation, critical judgements and estimates are made regarding future cash flows and an appropriate discount rate. When a fair value is estimated through an earnings valuation, critical judgements and estimates are made in relation to the earnings measure and appropriate multiple.

#### (c) Commitments and contingent liabilities of associates

The Group's associate entities may enter into contracts for the acquisition, construction and development of properties in Australia. The commitments in relation to such contracts are \$2,258.1 million (30 June 2024: \$1,106.4 million). These commitments have not been recognised in the consolidated financial statements.

### 3 Investments in joint ventures continued

#### (b) Critical judgements

Investments in joint ventures are accounted for at either fair value through profit or loss or by using the equity method. The Group designates investments in joint ventures as fair value through profit or loss or equity accounted on a case by case basis taking the investment strategy into consideration.

Management regularly reviews equity accounted investments for impairment and remeasures investments carried at fair value through profit or loss by reference to changes in circumstances or contractual arrangements, external independent property valuations and market conditions, using generally accepted market practices. When a recoverable amount is estimated through a value in use calculation, critical judgements and estimates are made regarding future cash flows and an appropriate discount rate. When a fair value is estimated through an earnings valuation, critical judgements and estimates are made in relation to the earnings measure and appropriate multiple.

#### (c) Commitments and contingent liabilities of joint ventures

The Group's joint venture entities may enter into contracts for the acquisition, construction and development of properties in Australia. The commitments in relation to such contracts are \$364.0 million (30 June 2024: \$484.1 million). These commitments have not been recognised in the consolidated financial statements.

#### (a) Critical judgements

Critical judgements and estimates are made by the Group in respect of recognising performance fee revenue. Detailed calculations and an assessment of the risks associated with the recognition of the fee are completed to inform the assessment of the appropriate revenue to recognise. Key risks include the period remaining from balance sheet date to performance fee crystallisation date and the degree of probability that any potential fee may unwind during that period. Key drivers of performance fees are assessed based on historic data and prevailing economic conditions to inform judgements on the extent to which the fee can be reliably estimated.

Critical judgements are also made by the Group in respect of recognising development revenue. Detailed forecasts of total development costs are inputs that are used to estimate the satisfaction of the development performance obligation over time.

A liability is recognised for the amount of any distribution/dividend declared by the Group on or before the end of the reporting period but not paid at balance date.

Franking credits available in the parent entity (Charter Hall Limited) for dividends payable in subsequent financial years based on a tax rate of 30% (30 June 2024: 30%) are \$386.4 million (30 June 2024: \$383.9 million). These amounts are calculated from the balance of the franking account as at the end of the reporting period, adjusted for franking credits and debits that will arise from the settlement of liabilities or receivables for income tax and dividends after the end of the year.

#### (a) Critical judgements

Critical judgements and estimates are made by the Group in assessing the recoverable amount of intangibles acquired, where the funds to which those intangibles relate have an indefinite life. Intangibles are considered to have an indefinite useful life if there is no foreseeable limit to the period over which the asset is expected to generate net cash inflows for the Group.

##### Charter Hall Group

The Group's debt platform includes the following:

- A\$300.0 million (30 June 2024: \$200.0 million) bank debt facility plus an additional \$80.0 million (30 June 2024: \$50.0 million) unsecured facility to support the issuance of bank guarantees with maturity in December 2029 (30 June 2024: maturity in May 2027). At 31 December 2024, drawn borrowings of \$nil (30 June 2024: \$nil) and issuance of bank guarantees of \$38.94 million (30 June 2024: \$38.95 million) had been utilised under these facilities, which under the terms of the agreements reduce the available facilities. No liability is recognised for bank guarantees.
- The \$100.0 million bank debt facility issued in July 2023 was cancelled during the period.
- US\$175.0 million (A\$231.5 million at issue date) unsecured notes issued through a US Private Placement which was fully funded in August 2018 and matures in August 2028.
  - The Group has entered into A\$/US\$ cross-currency interest rate swap agreements that hedge the Group's exposure to foreign currency. The swap agreements entitle the Group to repay the notes at A\$231.5 million in August 2028. At 31 December 2024, the carrying amount of the notes at the prevailing spot rate was A\$268.8 million (30 June 2024: A\$246.8 million) including a fair value adjustment of A\$16.8 million (30 June 2024: A\$15.2 million). The movement in the carrying amount since issuance is offset by the fair value of the swap A\$40.2 million (30 June 2024: A\$17.2 million).
  - The swap agreements also entitle the Group to receive interest, at semi-annual intervals, at a fixed rate on a notional principal amount of US\$175.0 million and oblige it to pay, at quarterly intervals, at a floating rate on a notional principal amount of A\$231.5 million. The swap agreements mature in August 2028.
- A\$250.0 million unsecured medium-term notes (MTN) issued in April 2021 and maturing in April 2031.
  - The Group has entered into interest rate swap agreements that hedge the Group's exposure to changes in the fair value of the MTN. At 31 December 2024, the carrying amount of the notes was A\$218.3 million (30 June 2024: A\$211.3 million), including a fair value adjustment of A\$31.7 million (30 June 2024: A\$38.7 million). The movement in the carrying amount since issuance is offset by the fair value of the swap liability A\$31.8 million (30 June 2024: A\$38.2 million liability).

### 12 Fair value measurement

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

A fair value measurement of a non-financial asset takes into account the Group's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The fair value of financial instruments traded in active markets is determined using quoted market prices at the balance date. The quoted market price used for financial assets held by the Group is the current bid price; the appropriate quoted market price for financial liabilities is the current ask price.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Group uses a variety of methods and makes assumptions that are based on market conditions existing at each balance date. Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments.

#### (a) Recognised fair value measurement

The Charter Hall Group and the Charter Hall Property Trust Group measure and recognise the following assets and liabilities at fair value on a recurring basis:

- Investments in associates at fair value through profit or loss (Note 2)
- Investments in joint ventures at fair value through profit or loss (Note 3)
- Financial assets at fair value through profit or loss
- Derivatives

AASB 13 *Fair Value Measurement* requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- (i) Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities;
- (ii) Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and
- (iii) Level 3 – Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The following table presents the Charter Hall Group's and Charter Hall Property Trust Group's assets and liabilities measured and recognised at fair value:

#### (b) Disclosed fair values

The carrying amounts of current trade receivables and payables approximate their fair values due to their short-term nature. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Charter Hall Group and Charter Hall Property Trust Group for similar financial instruments. The fair value of the US unsecured notes is A\$278.0 million (30 June 2024: \$253.5 million) and the fair value of the unsecured MTN is A\$218.3 million (30 June 2024: \$211.3 million).

#### (c) Valuation techniques used to derive Level 2 fair values

##### Derivatives

Derivatives are classified as Level 2 on the fair value hierarchy as the inputs used to determine fair value are observable market data but not quoted prices.

The fair value of cross-currency interest rate swaps is determined using forward foreign exchange market rates and forward interest rates and the present value of the estimated future cash flows at the balance date.

The fair value of interest rate swaps is determined using forward interest rates and the present value of the estimated future cash flows at the balance date.

## Notes to the consolidated financial statements

For the half year ended 31 December 2024

### 12 Fair value measurement continued

Credit value adjustments are calculated based on the counterparty's credit risk using the counterparty's credit default swap curve as a benchmark. Debit value adjustments are calculated based on the Group's credit risk using debt financing available to the Group as a benchmark.

#### Financial assets at fair value through profit or loss

Movements in fair value during the period have been recognised in the consolidated statement of comprehensive income. These assets have been acquired with the intention of being long-term investments. Where the assets in this category are expected to be sold within 12 months, they are classified as current assets; otherwise they are classified as non-current.

The fair value of investments in joint ventures held at fair value through profit or loss, which are investments in unlisted securities, are determined by giving consideration to the unit prices and net assets of the underlying funds. The unit prices and net asset values are largely driven by the fair values of investment properties and derivatives held by the funds. Recent arm's length transactions, if any, are also taken into consideration.

The fair value of investments in joint ventures at fair value through profit or loss is impacted by the price per security of the investment. An increase to the price per security results in an increase to the fair value of the investment.

#### (d) Valuation techniques used to derive Level 3 fair values

##### Investments in associates

Certain unlisted property securities have been designated on initial recognition to be treated at fair value through profit or loss. Movements in fair value during the period have been recognised in the consolidated statement of comprehensive income. These assets have been acquired with the intention of being long-term investments. Where the assets in this category are expected to be sold within 12 months, they are classified as current assets; otherwise they are classified as non-current.

The fair value of investments in associates held at fair value through profit or loss, which are investments in unlisted securities, are determined by giving consideration to the unit prices and net assets of the underlying funds. The unit prices and net asset values are largely driven by the fair values of investment properties and derivatives held by the funds. Recent arm's length transactions, if any, are also taken into consideration.

The fair value of investments in associates at fair value through profit or loss is impacted by the price per security of the investment. An increase to the price per security results in an increase to the fair value of the investment.

##### Investments in joint ventures

The level 3 investment in joint ventures at fair value through profit or loss relates to a contractually linked instrument (CLI). The CLI is designated on initial recognition to be treated at fair value through profit or loss.

The fair value of the CLI is primarily determined by reference to the credit risk of the tranche that the group holds directly. The underlying pool of instruments pay floating interest as does the tranche that the group holds directly.

##### Look-through Investment property

The use of independent external valuers is on a rotational basis at least once every 12 months, or earlier, where the Responsible Entity deems it appropriate or believes there may be a material change in the carrying value of the property. Independent external valuations were conducted on 77.6% of investment properties as at 31 December 2024 on a look-through basis and 85.5% of investment properties carrying values from September 2024 to December 2024.

Movements in the inputs are likely to have an impact on the fair value of investment properties. An increase/(decrease) in gross market rent will likely lead to an increase/(decrease) in fair value. A decrease/(increase) in adopted capitalisation rate, adopted terminal yield or adopted discount rate will likely lead to an increase/(decrease) in fair value.

Where an independent valuation is not obtained, the fair value is determined using discounted cash flow and income capitalisation methods.

## Notes to the consolidated financial statements

For the half year ended 31 December 2024

### 16 Summary of material accounting policies

#### (a) Basis of preparation

The Charter Hall Group (Group, CHC or Charter Hall) is a 'stapled' entity comprising Charter Hall Limited (Company or CHL) and its controlled entities, and Charter Hall Property Trust (Trust or CHPT) and its controlled entities (Charter Hall Property Trust Group). The shares in the Company are stapled to the units in the Trust. The stapled securities cannot be traded or dealt with separately. The stapled securities of the Group are listed on the Australian Securities Exchange (ASX). CHL has been identified as the parent entity in relation to the stapling.

The two Charter Hall entities comprising the stapled group remain separate legal entities in accordance with the Corporations Act 2001, and are each required to comply with the reporting and disclosure requirements of Accounting Standards and the Corporations Act 2001.

As permitted by ASIC Corporations (Stapled Group Reports) Instrument 2015/838, this financial report is a combined financial report that presents the consolidated financial statements and accompanying notes of both the Charter Hall Group and the Charter Hall Property Trust Group.

Where necessary, comparative information has been adjusted to conform with changes in presentation in the current year.

Under the option provided by ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191 issued by the Australian Securities and Investments Commission relating to the rounding off of amounts in the financial statements, amounts in the Company and the Trust's consolidated financial statements have been rounded to the nearest hundred thousand in accordance with that ASIC Corporations Instrument, unless otherwise indicated.

The financial report of the Charter Hall Group comprises CHL and its controlled entities, including Charter Hall Funds Management Limited (Responsible Entity) as responsible entity for CHPT and CHPT and its controlled entities. The results and equity, not directly owned by CHL, of CHPT have been treated and disclosed as a non-controlling interest. Whilst the results and equity of CHPT are disclosed as a non-controlling interest, the stapled securityholders of CHL are the same as the stapled securityholders of CHPT. The financial report of the Charter Hall

Property Trust Group comprises the Trust and its controlled entities.

This general purpose interim financial report for the half year ended 31 December 2024 has been prepared in accordance with the constitution of CHPT, Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the Corporations Act 2001.

Where necessary, comparative information has been adjusted to conform with changes in presentation in the current year.

#### (b) New and amended standards adopted

No new accounting standards or amendments have come into final effect for the half year ended 31 December 2024 that affect the Group's operations or reporting requirements.

Certain amendments to accounting standards have been published that are not mandatory for 31 December 2024 reporting periods and have not been early adopted by the Group. These amendments are not expected to have a material impact on the Group in the current or future reporting periods and on foreseeable future transactions.

#### (c) Other critical accounting estimates and judgements

In addition to the critical accounting estimates and judgements disclosed in the notes, the following estimates or assumptions also have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

#### Deferred tax

Critical judgements and accounting estimates are made in assessing the extent to which the utilisation of tax losses carried forward is considered probable and the corresponding deferred tax asset recognised.

#### Controlled entities

The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Critical judgements are made in assessing whether an investee entity is controlled or subject to significant influence or joint control. These judgements include an assessment of the nature, extent and financial effects of the Group's interest in investee entities, including the nature and effects of its contractual relationship with the entity or with other investors.

## Directors' declaration to securityholders

For the half year ended 31 December 2024

In the opinion of the Directors of Charter Hall Limited (Company), and the Directors of the Responsible Entity of Charter Hall Property Trust (Trust), Charter Hall Funds Management Limited (collectively referred to as the Directors):

- (a) the interim financial statements and notes of Charter Hall Limited and its controlled entities including Charter Hall Property Trust and its controlled entities (Charter Hall Group) and Charter Hall Property Trust and its controlled entities (Charter Hall Property Trust Group) set out on pages 9 to 31 are in accordance with the *Corporations Act 2001*, including:
  - (i) complying with Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
  - (ii) giving a true and fair view of Charter Hall Group's and Charter Hall Property Trust Group's financial position as at 31 December 2024 and of their performance for the half year ended on that date; and
- (b) there are reasonable grounds to believe that both Charter Hall Limited and the Charter Hall Property Trust will be able to pay their debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

## ***Independent auditor's review report to the stapled securityholders of Charter Hall Group and the unitholders of Charter Hall Property Trust Group***

### **Report on the interim financial reports**

#### ***Conclusion***

We have reviewed the interim financial reports of Charter Hall Limited and the entities it controlled during the half-year and Charter Hall Property Trust and the entities it controlled during the half-year (together "Charter Hall Group") and Charter Hall Property Trust and the entities it controlled during the half-year (together "Charter Hall Property Trust Group"), which comprises the consolidated balance sheets as at 31 December 2024, the consolidated statements of comprehensive income, consolidated statement of changes in equity – Charter Hall Group, consolidated statement of changes in equity – Charter Hall Property Trust Group and consolidated cash flow statements for the half-year ended on that date, material accounting policy information and selected explanatory notes and the directors' declaration to securityholders.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying interim financial reports of Charter Hall Group and Charter Hall Property Trust Group do not comply with the *Corporations Act 2001* including:

1. giving a true and fair view of the Charter Hall Group's and Charter Hall Property Trust Group's financial positions as at 31 December 2024 and of their performance for the half-year ended on that date
2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### ***Basis for conclusion***

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the *Auditor's responsibilities for the review of the interim financial reports* section of our report.

We are independent of the Charter Hall Group and Charter Hall Property Trust Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

#### ***Responsibilities of the directors for the interim financial reports***

The directors of Charter Hall Limited and Charter Hall Funds Management Limited (the Responsible Entity) are responsible for the preparation of the interim financial reports, in accordance with Australian Accounting Standards and the *Corporations Act 2001*, including giving a true and fair view, and for such

internal control as the directors determine is necessary to enable the preparation of the interim financial reports that are free from material misstatement whether due to fraud or error.

***Auditor's responsibilities for the review of the interim financial reports***

Our responsibility is to express a conclusion on the interim financial reports based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the interim financial reports are not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Charter Hall Group's and Charter Hall Property Trust Group's financial positions as at 31 December 2024 and of their performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of an interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
