MARKET UPDATE

The Board of CVC Limited (ASX: CVC) would like to provide guidance that the net loss after tax to shareholders is forecast to be in the range of \$1.6 – \$2.1m for the half year ended 31 December 2024 (2023: \$0.5m). This result is subject to final adjustments and completion of the audit review.

Having regard to future cashflow commitments of the business, the Board has resolved that an interim dividend for the half year ended 31 December 2024 will not be paid.

More detailed commentary on the performance of the business will be provided with the release of the Half Year accounts, which is anticipated to occur in late February 2025.
