ASX RELEASE

## US Law Enforcement Initial Order

**DroneShield Ltd** (ASX:DRO) ("DroneShield" or the "Company") is pleased to announce it has received an initial order from a high profile US law enforcement agency.

The order comprises of a mobile system of two passive/non-emitting UAS detection sensors, deployed in a mobile configuration, enabling rapid system setup, for detection and tracking of nefarious UAS. While the dollar value of the order is not material, it is expected to lead to follow up orders with this and other US law enforcement agencies. The value of the order is expected to be included in the total customer receipts in the Appendix 4C cashflow report for 2Q21.

Oleg Vornik, DroneShield's CEO, commented, "We are pleased to continue expanding the breadth of our US customer base, now reaching into law enforcement. It is a large and important market, and this initial deployment will serve as a reference case for expected follow-on sales."
