Magnis CEO Resigns

Magnis Energy Technologies Ltd (“**Magnis**”, or the “**Company**”) (**ASX: MNS; OTCQX: MNSEF; FSE: U1P**) wishes to advise that its CEO David Taylor has tendered his resignation from Magnis.

David's notice period will commence today and end on 1 December 2023.

The board on behalf of the shareholders would like to express their appreciation for David's valuable contribution at a critical stage in the development of the Company.

About Magnis

Magnis Energy Technologies Ltd (ASX: MNS; OTCQX: MNSEF; FSE: U1P) is a vertically integrated lithium-ion battery technology and materials company in the Lithium-ion battery supply chain. The company's US based subsidiary Imperium3 New York, Inc ("iM3NY") operates a Gigawatt scale Lithium-ion battery manufacturing plant in Endicott, New York. Magnis together with their US-based technology partner, C4V LLC has produced high-performance active anode materials for lithium-ion batteries utilising Magnis' high purity graphite feedstock from their Nachu Graphite project in Tanzania. The company's vision is to enable, support and accelerate the mass adoption of Electric Mobility and Renewable Energy Storage critical for the green energy transition.

This announcement has been authorised for release by the Board of Magnis Energy Technologies Ltd (ACN 115 111 763).
