Review of operations

The revenue recorded during the half year period ended 31 December 2023 was \$2,046,208 (31 December 2022: \$440,676). The increase was due to improvement in trading activities for glove products which saw an increase due to resumption in demand and more aggressive sales efforts.

The consolidated loss after income tax was lower at \$2,038,829 (31 December 2022: \$12,789,781) due mainly to the absence of asset impairments totalling \$9,927,635 during the previous correspondent period.

Despite the increase in revenue, Trade and Other Receivables has dropped to \$298,106 (31 December 2022: \$2,410,401) as the company adopted more stringent control in sales collections. At the same time, Trade and Other Payables have also reduced to \$3,304,100 (31 December 2022: \$4,238,256) as the company made more prompt payments to its raw material suppliers.

VIP has decided not to resume manufacturing operations during the July - December 2023 period. Management was monitoring the glove market closely, and will only resume manufacturing operations once it has more certainty of the sustainable demand and better prices. In the meantime, was engaging actively in trading activities of nitrile gloves, via sourcing of nitrile gloves from other suppliers to fulfil its orders. This business model, whilst is a short term measure, has allowed better control over its operating and non-operating expenses.

Significant changes in the state of affairs

There were no significant changes in the state of affairs of the consolidated entity during the financial half-year.

Matters subsequent to the end of the financial half-year

Subsequent to the end of the current reporting period, Dr Kai Fatt WONG resigned from the board on 23 February 2024. Mr Mark William MAINE was appointed as Company Secretary with effect from 28 February 2024.

On 2 May 2024, KLE Products Sdn Bhd (a wholly owned subsidiary) entered into a Sale and Purchase Agreement with Messrs Target Precast Industries Sdn Bhd for the disposal of a non-core vacant land measuring 13,203 sq meter for a total cash consideration of RM7,952,313 (approx. AUD \$2.56 million). After net off mortgage redemption, payment of tax and legal fee, the total cash inflow from this exercise is expected to be about \$1.0 million as working capital for the group. The transaction is targeted to complete by early 2025.

No other matter or circumstance has arisen since 31 December 2023 that has significantly affected, or may significantly affect the consolidated entity's operations, the results of those operations, or the consolidated entity's state of affairs in future financial years.

Note 1. Material accounting policy information

These general purpose financial statements for the interim half-year reporting period ended 31 December 2023 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted and if adopted, there was, and is expected to be, no material impact on these financial statements.

The financial statements have been prepared on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and discharge of liabilities in the normal course of business.

As disclosed in the financial statements, for the half year ended 31 December 2023, the consolidated entity made a loss of \$2,038,829 and had net cash outflows from operating activities of \$1,851,903. As at that date, the consolidated entity had net current liabilities of \$625,134.

These conditions above indicate that a material uncertainty exists that may cast significant doubt about the entity's ability to continue as a going concern, and therefore, whether it will be able to realise its assets and extinguish its assets and liabilities in the normal course of business. The ability to minimize future losses and return to profitability is dependent upon a number of factors including expansion into new markets and the supply of gloves with greater margins, a return to normalised average selling prices across the glove manufacturing industry, reducing operating costs particularly labour costs, and seeking new opportunities for the Company.

The Directors believe there are reasonable grounds to believe the consolidated entity will be able to continue as a going concern, after consideration of the following factors:

- The consolidated entity has initiated a cost reduction process, which has seen its monthly cash outflows substantially reduce in the period from 30 June 2023 through to today's date;
- Since 30 June 2023 the consolidated entity has continued to reduce corporate overheads spending;
- The consolidated entity has sold surplus assets to provide working capital and to retire debt; and
- As an ASX-listed entity, the directors may seek to raise capital from existing and new shareholders.

Accordingly, the Directors believe that the consolidated entity will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

The financial report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the consolidated entity does not continue as a going concern.

Large shareholder groups and a related party have written to the Company advising of their ability and intention, if needs be, to provide financial support for a period of at least 16 months from the date of this report.

Note 2. Operating segments

Identification of reportable operating segments

The Directors have considered the requirements of AASB 8 – Operating Segments and the internal reports that are reviewed by the Chief Operating Decision Maker (the Board) in allocating resources and have concluded that at this time there are no separately identifiable segments.

Note 2. Operating segments (continued)

During the period, the Company's considers that it has only operated in one segment, being a nitrile glove manufacturing business in Malaysia. However, the consolidated entity has operated across two geographical locations, Malaysia and Australia. The accounting policies adopted for internal reporting to the CODM are consistent with those adopted in the financial statements. The information reported to the CODM is on a monthly basis.

The Company is domiciled in Australia. Revenue from external customers is generated in Malaysia. Assets are located in Malaysia and Australia.

Note 11. Dividends

There were no dividends paid, recommended or declared during the current financial period.

Note 12. Contingent liabilities

In November 2020, VIP received a Writ of Summons, served in Malaysia, from ACE Solutions Investments Ltd (Plaintiff), a BVI registered company, alleging that the Company has denied the Plaintiff the right to receive a placement of 74.5 million shares in the Company at a price of \$0.04 per share on the basis of wrongful and unlawful breach of a purported agreement between the Plaintiff and Company representatives.

On 25 October 2021 the Company was successful in its application to strikeout the action and on 26 November 2021 the Company announced that the Plaintiff had lodged an appeal. However the Court of Appeal had allowed the Plaintiff's appeal and therefore the matter has now been remitted to the High Court for trial scheduled in April 2025.

It is not practicable to provide an estimate of the financial effect of the legal action as it cannot be predicted given the level of uncertainty.

With the advice of VIP's lawyers, VIP intends to vigorously defend the matter on the grounds that the Plaintiff's claim is without reasonable cause of action; frivolous and vexatious; and an abuse of Court process.

Committed capital expenditure at 31 December 2023 is \$NIL (June 2023: \$NIL).

Planned capital expenditure not yet committed at 31 December 2023 is \$NIL (June 2023: \$NIL).

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF VIP GLOVES LIMITED**

Report on the Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of VIP Gloves Limited and Controlled Entities (the Group), which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and the Directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the Group is not in accordance with the *Corporations Act 2001* including:

- a) giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities section of our report.

We are independent of the Group in accordance with the auditor independence requirement of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including independence standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with these requirements.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the Directors of the Company, would be the same terms if given to the Directors as at the time of this Auditor's Review Report.

Material Uncertainty Related to Going Concern

We draw attention to Note 1 in the half-year financial report, which indicates that the Group incurred a loss of \$2,038,829 and negative operating cash flows of \$1,851,903 during the half-year ended 31 December 2023. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Responsibilities of the Directors for the Financial Report

The Directors of the Group are responsible for:

- a) the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001*
- b) such internal control as the Directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended as at that date; and complying with *Accounting Standard AASB 134: Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
