On-Market Share Buy-Back Program

Zip Co Limited (ASX: ZIP) (“**Zip**”, or the “**Company**”) today announces its intention to undertake an on-market share buy-back of up to \$50m of ordinary shares (“**Buy-Back**”). The Buy-Back program is expected to commence on or about 23 April 2025, for a period of up to 12 months.

Today’s announcement reflects the strength of the Zip balance sheet, the continued delivery of operating cash flows and Zip’s outlook for future profitable growth.

The establishment of the Buy-Back program is consistent with Zip’s capital management framework. This framework is designed to maximise shareholder returns, whilst preserving balance sheet strength and ensuring Zip maintains the ability to pursue strategic growth opportunities.

The number of shares purchased under the Buy-Back will depend on several factors including market conditions, Zip’s prevailing share price and opportunities to utilise capital within the business as they emerge. Zip reserves the right to vary, suspend or terminate the Buy-Back program at any time.

The Company will conduct the Buy-Back program in accordance with the Corporations Act and ASX Listing Rules, including ensuring prices paid for shares purchased under the Buy-Back program will be no more than 5% above the volume weighted average price of Zip shares over the five trading days prior to the purchase and the Buy-Back program will not exceed 10% of issued capital over the 12-month period.

Zip Group CEO and Managing Director, Cynthia Scott said:

“We continue to execute on our strategic priorities with the Group generating strong operating cashflows and maintaining balance sheet strength. The Buy-Back program we have announced today is consistent with our capital management framework and focuses on maximising shareholder returns. Zip will maintain a strong balance sheet following completion of the Buy-Back with ongoing flexibility to pursue future growth opportunities.”

The Company also announces that in line with the potential commencement date of the Buy-Back program, the scheduled date for release of Zip’s 3Q FY25 Results Update to the Australian Securities Exchange has been brought forward to 16 April 2025.

Release approved by the Board.
