The principal products and services of this operating segment are the mining and exploration operations in Australia, including the East Kundana and West Kundana Joint Ventures with Evolution Mining Ltd and exploration projects in West Africa and the Philippines.

*Operating segment information*

As noted above, the Board only considers one segment to be a reportable segment for its reporting purposes. As such, the reportable information the CODM reviews is detailed throughout the financial statements.

**Note 10. Fair value measurement**

*Fair value hierarchy*

The following tables detail the Group's assets and liabilities, measured or disclosed at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: Unobservable inputs for the asset or liability

Total assets	<u>144,521</u>	<u>-</u>	<u>4,037,636</u>	<u>4,182,157</u>

There were no transfers between levels during the financial half-year.

Unless otherwise stated, the carrying amounts of financial instruments reflect their fair value. The carrying amounts of trade receivables and trade payables are assumed to approximate their fair values due to their short-term nature. The fair value of financial liabilities is estimated by discounting the remaining contractual maturities at the current market interest rate that is available for similar financial instruments.

*Valuation techniques for fair value measurements categorised within level 2 and level 3*

On 17 May 2024, the Company revalued its office building in East Legon. The fair value used represents the amount for which the asset could be exchanged between knowledgeable parties in an arm's length transaction, based on current prices in an active market for similar properties in the same location and condition. The valuation was performed by an independent valuation company which is also a member of the Ghana Institute of Surveyors. The directors do not believe that there has been a material movement in fair value since the revaluation date.

*Level 3 assets and liabilities*

Movements in level 3 assets and liabilities during the current financial half-year are set out below:

	<i>Land and buildings</i>
	\$
Balance at 1 July 2025	4,037,636

## INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF TRIBUNE RESOURCES LIMITED

### Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the accompanying half-year financial report of Tribune Resources Limited (the Company) and its subsidiaries (the Consolidated Entity), which comprises the consolidated interim statement of financial position as at 31 December 2025, the consolidated interim statement of profit or loss and other comprehensive income, consolidated interim statement of changes in equity and consolidated interim statement of cash flows for the half-year ended on that date, notes comprising material accounting policy information and other explanatory information, and the directors' declaration of the Consolidated Entity comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Tribune Resources Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2025 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

#### Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Tribune Resources Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

*Directors' Responsibility for the Half-Year Financial Report*

The directors of Tribune Resources Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

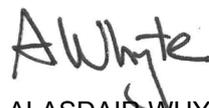

*Auditor's Responsibility for the Review of the Financial Report*

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2025 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
